DAVID SPICHIGER JOINED SCS AS EXECUTIVE DIRECTOR ON JULY 1, 2011

On July 1, David Spichiger took over the management of the Swiss Chemical Society (SCS) committee's office.

Mr. Spichiger, from Bern, is 36 years old and was previously Vice President at Credit Suisse where he was responsible for process and quality management for the Business School of Credit Suisse in Zurich and led several projects to harmonize

processes as part of the bank's global strategy.

In addition to his master degree in Chemistry at University of Bern in 2000 he got an Executive MBA in 2007 that completed his knowledge portfolio.

We welcome David Spichiger and wish him much success and enjoyment in his new position.
